**DETAILED ACTION**

***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 5/3/2010 has been entered.

***Information Disclosure Statement***

2. The information disclosure statement (IDS) submitted on 5/3/2010 was filed after the mailing date of the Notice of Allowance on 2/4/2010. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

***Allowable Subject Matter***

3. Claims 1-16 are allowed.
4. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to show or reasonably suggest the claimed invention taken as a whole, the invention comprising a system comprising a primary device for receiving and distributing a plurality of audio/video signals from a headend facility to at

least one remote device. Said primary device determines a distance between said primary device and each remote device via a wireless accessory in response to receiving a proximity detection request from said headend facility and said primary device identifies each remote device having a determined distance exceeding a predetermined distance and communicates said each identified remote device to the headend to facilitate disablement of services to said each identified remote device. Specifically, wherein said primary device receives a proximity detection request from said headend facility.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
